

# Magnetizing Template

1. **Get clear** on what you want to magnetize so you can set that as the intention
2. **Connect** with what you see as Higher Guidance to AMP up your energy and the reach of your magnetic energy beacon.
3. **Create** an image of a magnetic coil, I like to think of an electric stove top burner for my magnetic coil. Then allow that to become larger and larger. Let it become as large as it wants to become for you to magnetize.
4. If it is a person or group you are magnetizing imagine connecting with them at that heart level, hear what they are saying, let it become alive **feel the energy connection**
5. **Magnetize** for as long as it feels good and the time you have available and be grateful that it is already on the way!
